

Janakpur's provincial program was completed.

RDN, DJKYC, CIC, and JDS organized a program on Monday, November 18, 2024, to pass Harawa Charawa's guidelines for data collection and verifying of data from Madhesh province. This seminar, held in the Madhesh province's Land Ministry of Land Management, Agriculture

&

Janankpurdham,

Dhanusha,

Nepal

hall,

drew

35

Cooperative

participants.

Since he did not thoroughly research this method, the honorable minister Janardan Singh Kshetri pledged to pass this guideline as quickly as possible. He will thus study hard and pass it the next day. Because he is aware

of Madhesh Province's current state, Kshetri declared that he will always be with the Harawa Charawa families.

In a similar vein, Mr. Lagindra Saday, the central HC large secretary, provided the minister with a thorough and helpful explanation of the memorandum letter. Mr. Balaram Bhattarai gave a thorough explanation of the purpose of the meeting as well as its procedure. Members of Harawa Charawa at the national level and at the district level typically attend the gathering to learn more about this process and accomplishment.
